Vertical text on the right side of the page, including the characters "会", "所", "委" at the top and "20." below it. The text is partially obscured by a large, colorful, abstract graphic that resembles a stylized tree or a complex diagram. The graphic consists of numerous small, overlapping shapes in various colors (red, green, blue, yellow, black) arranged in a vertical column. The text "会", "所", "委" is written vertically from top to bottom. Below it, the number "20." is visible. The rest of the page is dominated by this abstract graphic, which appears to be a scan of a document or a page with significant digital corruption or a specific artistic style. The background is a light, textured surface, possibly paper or a scan of a wall. The overall appearance is that of a heavily processed or corrupted image, possibly a scan of a document page with significant digital noise or a specific artistic style. The text is partially obscured by a large, colorful, abstract graphic that resembles a stylized tree or a complex diagram.
